

The Rice Marketing Board

FOR THE STATE OF NEW SOUTH WALES

Objects of the Board:

1. To encourage the development of a competitive domestic market for rice.
2. To ensure the best possible returns from rice sold outside Australia based on the quality differentials or attributes of Australian grown rice.
3. To liaise with and represent the interest of all NSW rice growers in relation to the Board's function and objects.

FACT SHEET 3: Authorised Buyers

The Rice Marketing Board invites interested parties to participate in the domestic rice market by becoming an Authorised Buyer, as defined under the *Rice Marketing Act 1983*.

The Board has granted Ricegrowers Limited the sole and exclusive right to export rice at this time. The Board will therefore not license an applicant as an Authorised Buyer of NSW rice unless it is satisfied that the rice is intended exclusively for domestic use (in Australia).

An application pack is available from the Board's website at <https://www.rmbnsw.org.au/apply-licence> or by contacting the Board's secretary on 02 6953 3200 or email at: secretary@rmbnsw.org.au.
