### **Announcement – 2022 Annual Meeting to go fully virtual**

As a result of the recent flooding, damage to roads and road closures, the Rice Marketing Board has made the decision to move its Annual Meeting, scheduled for 16<sup>th</sup> November in Leeton, to a virtual only meeting using MS Teams.

This change has been necessary for the safety of all those who would be travelling to Leeton this week.

There is still time to register to attend virtually, please email [secretary@rmbnsw.org.au](mailto:secretary@rmbnsw.org.au) for your dial in link.

Yours sincerely
